

Coronavirus – Business Continuity Update

With the continued uncertainty surrounding COVID-19 we would like to reassure you that we are committed to ensuring the safety of our staff, clients and visitors to our offices. We have taken the necessary steps in accordance with the guidance issued by Public Health England and the NHS to protect all concerned.

We have already implemented full contingency plans to ensure that the business remains operational. Many of our staff are already working remotely. Our IT and systems are in place to enable us to continue to work even in the event of an office closure (for whatever reason). Telephone and video appointments are available if you prefer not to visit us. If you would rather meet with your lawyer in the office please call us first so that we can advise you of necessary arrangements to ensure that we all remain healthy (these will change according to advice that we receive from the authorities).

Whilst we are all entering uncertain times we are committed to keeping the business operational and ready to assist you with your legal needs.

The Partners P & B
